UUFH VISION PARTNERSHIP FUND

Questions and Answers

1. What is the UUFH VISION PARTNERSHIP FUND?

This is a separate, stand alone fund which has been established to provide support for the growth needs of the Fellowship.

2. What is the financial goal of the fund?

The initial financial goal is to raise at least \$60,000 over the next three year period or \$20,000 per year.

3. How will the money be raised?

The Fellowship is asking that members and friends join as VISION PARTNERS in the fund and make voluntary contributions in amounts of their own choosing. There is no minimum contribution required to join but the goal can be reached if each partner contributes an average of a quarter (25 cents) a day over the three year period.

4. What will the money be used for?

Primarily, the money will be used for the following three purposes:

- To support the initial planning, site selection and building design activities leading to expanded facilities for the long range growth of the Fellowship. There is a lot of effort and expense involved before a proposal can be presented for expanded facilities in a new location and the fund will be used to cover those needs.

- To contribute to the retirement of the current outstanding debt of the Fellowship. We would like to start our next expansion phase in a debt-free position by redeeming the outstanding notes still held by our members.

- To provide funds to better capitalize on land and/or building purchase opportunities as they arise. It may be necessary to move quickly with option or earnest money to tie-up an attractive prospect.

**“A QUARTER A DAY
AND WE ARE ON OUR WAY”**

5. How can I become a VISION PARTNER?

It's easy, just fill out the VISION PARTNER Registration Card at the end of this brochure. Also, a VISION PARTNER Registration Desk will be set-up each Sunday in Fellowship Hall, or you can get a Registration Card from the office. You may return your completed card to the desk on Sunday or to the office by mail, e-mail or in person. You may register as an individual or as a couple but accounting and reporting will be according to your pledge unit status.

**“A QUARTER A DAY
AND WE ARE ON OUR WAY”**

6. How will I be recognized as a VISION PARTNER?

Each registered VISION PARTNER will receive a name tag sticker and a VISION PARTNERSHIP FUND cup from the registration desk. You are invited to place your sticker on your name tag to identify yourself as a supporter of the fund. It is suggested that you place the cup in a prominent place in your home as a reminder of the fund's slogan:

**“A QUARTER A DAY
AND WE ARE ON OUR WAY”**

Your cup can serve as a collection point for quarters, loose change, bills, etc. to be donated to the fund (or for coffee, tea or other beverages, at your option).

Additionally, it is intended that the names of all VISION PARTNERS be placed in a prominent place in the new facility in a manner similar to the Building Fund Plaque in the current building.

7. How do I make contributions to the FUND?

Contributions may be made with coins (quarters or other loose change), currency or checks.

■ If by check, please write “Vision Fund” in the memo section and place in the collection basket, or forward to the office by mail or in person.

■ Cash or coins may be placed in special envelopes available at the Fellowship (or any envelope) and placed in the collection basket. Please write your name and “Vision Fund” on the envelope to assure proper credit for tax reporting. Envelopes of cash and coins may also be turned in at the office or at the registration desk.

8. How will I receive information on my VISION FUND contributions for tax reporting purposes?

Total identified contributions to the VISION FUND will be reported as a separate item on your year-end statement provided by the Treasurer. No other reports on your individual fund contributions will be made during the year.

UUFH VISION FUND PARTNER

Registration Card

YES, I want to enroll as a Vision Fund Partner and join in supporting the efforts to provide a new home for UUFH. I agree to make periodic voluntary contributions to the Vision Fund in an amount of my own choice toward the initial goal of \$60,000 over the next three years.
